

Attn: FRENCH TEACHERS

Re: Hands-on learning experience for students

Bring a French Café experience to your École - CafÉcole!

C'est quoi CafÉcole ?

CafÉcole was developed as a natural extension of the need for French students of all levels to experience a complete Café cultural experience including: shopping for ingredients, preparing the dishes, placing/taking food orders, role-play, and financial literacy. During a **CafÉcole** experience, Chef Chopin visits your school and creates a French Café ambience where he/she then facilitates a variety of student activities, including: shopping in flyers, preparing a dessert, placing and taking orders and, of course, eating the French desserts.

What does the French teacher have to do?

Nothing. You book us. We do the rest. We bring all the necessary tools, props, and goodies. **CafÉcole** also incorporates animated video clips that are engaging to students and serve as models of additional French voices in the classroom. All schools booking a **CafÉcole** presentation also receive a comprehensive pre- and post-presentation curriculum-related activities package that will keep the Café culture alive.

How do you book with CafÉcole?

Check out the "Options A & B" below for the cost and complete the form to the right. Then, follow the fax instructions. OR send us an email with your inquiry to info@cafecole.ca. OR complete the form at: <http://www.cafecole.ca/prices.html>
